# Ascari*RaceResort*

www.ascari.net

In the heart of Andalusia in Southern Spain lies the exclusive Ascari Race Resort. Ascari is one-of-a-kind – a combination of luxurious day retreat and adrenalin-packed racing circuit. It is home to the Ascari Club – a private members' club for people united by a passion for the finer things in life and for driving... fast. On non-club days its beautiful, unbranded facility is the perfect setting for some of the world's finest private parties, corporate events and product launches.

Fernando Alonso calls Ascari the "most demanding race track in the world". Nearly every curve is inspired by elements of the world's finest racing circuits, including Spa, Brands Hatch, Bathurst, Nordschleife and Silverstone.
