DRIVING DISCIPLINES

Lightweight Lotus

The Lotus is one of the world's most rewarding road cars to drive on a circuit. Designed on the true Lotus principle of light-weight and nimble, this mid-engined, rear-wheel drive British sports car will set the heart racing from the first corner. With power and handling to match, this is a car you will not want to stop driving!

Race Saloon

The legendary BMW marque has long been involved with motor sport at the very highest level. Our race prepared BMW Touring Cars on slick race tyres, will provide an undiluted racing experience whilst, following the advice from your in-car Instructor, you push the car and yourself to the limit.

Radical Race Prototype

Truly radical in appearance and performance, with blistering performance and amazing agility from a super lightweight chassis. With you as a passenger your Instructor will drive, at race speed in total control of this race prepared machine and make full use of six speed sequential gearbox and slick tyres.

High Speed Passenger Ride

The ultimate finale to your special day will be the High Speed Passenger Ride. You will experience the amazing and unique Radical SR3.

Ascari Race Resort Tour

Our Resort is privately owned and only invited guests make it past the security gates. As an invited guest you will enjoy a hosted tour of our amazing underground air conditioned parking areas. Although cars change throughout the year, expect to see many of the world's most exotic cars, including famous race cars and even F1.

Experience the atmosphere, glamour and excitement of an exclusive Club day.

Imagine an event which exceeds your wildest driving dreams in terms of quality, professionalism and adrenalin. We take this for granted at Ascari Race Resort. Imagine a fun packed day spent in the environment of Spain's most unique and beautiful Race Resort. Your exclusive event will start from the moment you say "yes".

If required, we will look after your every need, from airport transfers, hotel booking and much more. Our aim is to make sure you arrive relaxed and prepared to enjoy a fantastic day with our team of dedicated circuit professionals.
